Introduction

Arizona Off-Road Promotions (referred to as AZOP hereinafter) rules and regulations. Off Road racing is a hazardous sport, you could be severely injured or killed, these rules and regulations are established to meet minimum, acceptable requirements and to provide orderly conduct of racing events, these rules and or regulations are in no way a guarantee against injury or death to participants, spectators or any other person or persons. With participation being voluntary, no entrant, pit crew member, sponsor shall have any claim for damages, expenses, lawsuits or otherwise against promoter, track operator, AZOP workers or volunteers arising from damage to any vehicle, personal injury or death, monetary loss of any kind whatsoever.

General Rules

1. The race director or referee shall have the authority to penalize, suspend or disqualify any entrant or entrant's crew for rule violations. We also have the right to ban anyone for bad behavior.
2. AZOP assumes no responsibility for postponement and or cancellation of events based on inclement weather or unsafe track conditions,
3. AZOP reserves the right to refuse or deny any entrants application.
4. Any entrant who fails to fully fill out and sign required entry forms, waivers and releases shall be disqualified and shall forfeit any prizes, points won in that particular event.
5. No entrant may enter racing areas and ride the track until they have signed all releases and entry forms. No person shall sign the release and entry forms for anyone other than himself or herself. Proper identification may be required.
6. The entry applications of persons under the age of 18 must have a parent or legal guardian sign the release form. If a parent is sending their child with a legal guardian, they must use an active AZOP minor release form. Must be notarized to be valid. Minor release available at: azopracing.com
7. AZOP reserves the right to amend any rules based on course conditions, safety of the riders or any other circumstances that may arise.
8. AZOP members are not employees; members assume all responsibility for all charges.
9. Safety equipment is the driver's responsibility.
10. You must have a current year AZOP membership to receive points for the event.
11. You must have a current year AZOP membership to run your own number.
12. Members will accumulate points for year-end awards. For all Non-Members, AZOP will sell you a day pass for \$25 which includes three preprinted numbers starting with a zero. (this is how we know to take you out of the points)
13. No racer is permitted to carry fuel except for within the machine's fuel tank.
14. No paddle tires.

15. UPDATE ON MINIOR RELEASES

We will be doing the minor release just like we do the memberships, they will be valid from Jan 1-Dec 31 of each year. We will no longer be doing them from the time you signed one for a year.

16. All AZOP Rules will be at the discretion of the promoter, whether written or not.

17. No flying drones without AZOP approval.

18. SAFETY ISSUES FOR ALL Pee Wee CLASSES (BIKES-QUADS-UTV 170CC)

ONLY one Parent of a racer will be allowed on the track during the peewee race to assist helping all racers. If you get caught on the track without AZOP's permission your child could be Disqualified. Must have a safety vest provided by AZOP official. Please return vest promptly after race. No one under 18 years old will be allowed to assist on the track.

Courses

1. The event courses will be marked.
2. In the open areas, you will be allowed 10' on either side to pass.
3. PLEASE preserve the desert to the best of your ability there will be other wide areas to pass. Do NOT cut corners.
4. Some courses will be Motocross track with desert and obstacles.
5. You will be disqualified for going backwards on the course. NEVER GO BACKWARDS ON THE COURSE.
6. If a rider leaves the course for any reason he/or she must reenter the course at that location
7. No riders pit crew is permitted to go on the course without permission of the AZOP race director.
8. No course cutting- No cheating you may be disqualified
9. **Hare Scrambles-** typically run between a 7 and 30-mile loop in a continuous loop format. Race duration typically ranges about 2hrs. **Race is over at the conclusion of the timed event per scoring, and a checker flag will follow** (in the event the driver does not see the checker flag or the AZOP official does not present the flag in a timely fashion and continues with another lap, the lap will not be counted).
10. **Grand Prix:** typically located adjacent to and comprises part of an MX track. May mix off road sections, single track sections, MX sections, flat track sections and hill climb sections, in a localized setting with continuous loops of the same course. Race duration about 1 hour. **Race is over at the conclusion of the timed event per scoring, and a checker flag will follow** (in the event the driver does not see the checker flag or the AZOP official does not present the flag in a timely fashion and continues with another lap, the lap will not be counted).

Penalties

These are examples of possible penalties; the race director or referee reserves the right to issue penalties based on the severity of any action. The race referee will have final say in any case.

1. Race vehicle traveling backwards on the race course.
2. Pit support vehicles on the track without race director's approval.
3. Disrespectful or abusive conduct toward any race worker or official
4. There is NO Passing in the scoring chute unless directed by an AZOP official, speed limit is 5MPH through the scoring chute. Destruction of the scoring chute will result in a time penalty, monetary fine and or disqualification.
5. Course Cutting or Cheating (do not go around any obstacle on the race course). This could result in a penalty. Penalty will be determined by AZOP Staff.
6. Speeding through any MPH posted signs. Including scoring area, pit area, or marked areas with speed signs. Minimum penalty assessed will be **15 seconds** per instance witnessed by any AZOP Staff including sweep riders. **This includes hitting any chicane structures (tape, cones, etc.)**
7. Blocking other racers on the track when attempting to pass. This is a very unsafe practice and if witnessed could be assessed a **30 second** penalty per instance witnessed by any AZOP Staff including sweep riders.
8. Unclassified/practice – all racers must begin at the starting line and not at any other location on the race course.
9. Absolutely NO pit and play riding, this goes for kids and adults, this could result in disqualification of the racer in that camp/pit with a refund.
10. If you do NOT slow down when an AZOP official flags you to. If there is a rider down you must slow down when passing them. **45 Second Penalty** per instance.

Participants

1. All drivers/co-drivers must sign all appropriate forms of registration and releases all under age entrants must have a notarized copy of parental consent form on file and must be accompanied at all events. Minor releases are good for one year from the date you sign. You may not enter the track until you have signed all forms and releases.
2. **NO PLAY RIDING**, you may drive your UTV to the start line following the posted speed limit signed or 5 MPH, absolutely no play riding is permitted except in a designated area provided by the race director. UTV/Side X Sides SAFETY EQUIPMENT

1. Helmets - Helmets must be of the type approved by the Snell Memorial foundation, with a Snell or D.O.T sticker attached. Straps must have D - ring fasteners only. No snaps or Velcro will be permitted. The interior and exterior areas of the helmet must be free of defects (i.e., the padding must be in good condition and the exterior of the helmet must not be damaged.) AZOP strongly recommends that entrants use helmets specifically designed for racing.
2. Protective Clothing - Protective clothing accessories are required to include but not limited to gloves, race pants, race jersey, knee guards, flame retardant driver suit (head-to-ankle), fire resistant shoes. AZOP recommends neck collar for utv/sl/tk divisions or neck brace for mx/atv classes for additional safety. (no motocross gear because it is highly flammable).
3. Eye protection - Shatter resistant eye protection is required for all motorcycle/atv/utv entrants competing in a AZOP event.

4. Race Car Safety Support harness 4-6 point restraint, driver and passenger nerf bars are recommended, OEM or aftermarket roll cage frame secured, window nets (passenger side net only if passenger on board) or arm restraints, secured door panels with safety latch. Harnesses must be dated not longer than 3 years prior to race date and properly maintained, no frays or tears permitted.
5. All vehicles must pass technical inspection prior to going to starting line. Failure to do so may result in DSQ.
6. No superchargers, nitrous or any other pressurization/injection type system will be allowed in any class other than Unlimited 1000cc Turbo Class.
7. Race numbers will be a minimum of 8 inches tall. Number shall be readable from sides and back of each car.
8. Aftermarket well built roll cages made for racing are recommended. Gusseting of the factory cage is highly encouraged.
9. Factory Roll cages are allowed but not recommended. Aftermarket well built roll cages made for racing are recommended. If factory roll cage is used gusseting and supporting the factory cage at two points that go to rear bumper/frame are highly encouraged
10. Must have roof. Metal roof panels are highly encouraged.
11. Lockable side protection doors must be mounted in a way as to not be able to pop open during racing. Factory doors with secondary locking mechanism are approved. (Drill a hole through the latch and put a cotter pin in it)
12. Passenger side nets or passenger hand restraints are required if you have a passenger.
13. Full personal safety gear must be worn to include Fire retardant suits must be worn that cover from neck to ankles Helmets, gloves, goggles racing shoes or boots.
14. Motorcycle type race gear will **NOT** be allowed, as it is extremely flammable.
15. There is no passing in the scoring chute
16. The speed limit in the scoring chute is 5 MPH mandatory, NO EXCEPTIONS.
17. Must be 15yrs old day of the race (or at AZOP discretion if racer is experienced)
18. Any passenger must follow all safety rules as well

20. Must have Siren/Sounder All UTV's (not required 170cc) are required to have a **SIREN** that is **LOUD**
21. **All UTVs including 570cc & 170cc including Restrictor Class must have an external mounted working fire extinguisher (minimum 2.5lbs) with a quick release mount. Must be mounted on rear roll bar so it is easily accessible to anyone rendering assistance. All BIG UTV's 700cc and up will require a working (quick release) second fire extinguisher (minimum 2.5lbs) mounted in the drivers' compartment and it must be readily accessible to the driver. We welcome fire suppression systems; however, they will not be deemed as a replacement or substitute for a fire extinguisher.**
22. Must have Side mirrors on both sides or rearview mirror inside the UTV. (excludes 170cc/250cc)
23. RS1 UTVS must have nerfbars on both sides.

Starting Order

1. First race of the year will be a pill draw for staging order.
2. After the first race, points will determine staging order.
3. Racers without points will be put into a pill draw.
4. Racers must be at starting line 15 minutes prior to start time to ensure your line pick. If you are not present and ready to line up, we will call the next points leader.

Trophy Payout

We trophy 33% of each class - for every 3 racers we give out a trophy up to top 3) If there are 1-5 racers first place only, 6-8 racers second place and 9 up third place gets a trophy.

Move Ups/Downs

1. Any driver with three 1st place finishes in any class could be moved up depending on the lap times of other classes. (170/570 Beginner to Advanced)
2. Any driver that places in the top 3 of the class higher than the class they race for 3 races could be moved up. (170/570 Beginner to Advanced)
3. After half the races AZOP has the right not to move a driver up due to year end championship points. It is the parent's responsibility to move up their child if they are more advanced than the other children in their class.
4. Any driver could be moved up by the race director at any time if they feel the driver's ability level is sufficient.
5. Once you are in a class you can't move down to a lower level class unless you have permission in writing from AZOP. (example: If you race any event in advanced you can't move down to beginner)
6. Drivers who move up or get moved up will take 50% of their points with them to the next class. Must move up level and not Class- (Example: If you race 170cc Beginner and move to 170cc Advanced you take 50% points, if you race 170cc Beginner and move to 250cc you get zero points.)
7. You can take 50% of your points going from 1000cc N/A to UTV Pro N/A or 1000cc Turbo to UTV Pro Turbo. (The points will NOT transfer from 1000cc N/A to 1000cc Turbo or UTV Pro N/A to UTV Pro Turbo. They will not transfer from 1000cc N/A to UTV Pro Turbo or 1000cc Turbo to UTV Pro N/A).
8. Once you move to a Pro class, you must stay in Pro the remainder of the year.

Year End Champions

To be eligible for series points and end of year championship awards UTV racers must:

1. **Compete in at least 6 out of 8 race locations. (Locations not Races). There will be NO dropped races. All races will count toward the year end points.**
2. Have a current membership – January to December of each year
3. Top three in each class will receive a year end Championship if you meet all the criteria.

4. You can buy a day pass for \$25.00 but you do not get points.
5. If you move up a class or get bumped up a class you will only be eligible for a year end championship in the higher class/level.

Season Points

1. You must complete half of the laps of the leader in your class to receive finisher points or you will be considered a DNF (did not finish)
2. In order to be considered a finish in any timed race you will need to complete half of the laps of the leader in your class. You do not need to take the checker flag. If you fail to complete half of the laps of the leader in your class, you will receive a DNF.
3. If the race is a lapped race, then the overall leader needs to complete all laps. The rest of the racers in each class must complete 50% of the laps of their class leader. If there are an odd number of laps, the rider must complete their last lap – cannot have half a lap.
Example: 3 laps must complete 2 of the 3 laps; 7 laps must complete 4 of the 7 laps. 9 laps must complete 5 of the 9.
4. If the start/finish line are in a remote location and laps are in another location and you have to return to the remote location to finish and take the checker flag. (Example Gravity 100 St Johns AZ race)
5. Members can select any number on a first come first serve basis. You keep the number the whole year. Each year after the last race of the year, you have until December 31st to purchase and renew your membership. After that it is open to any new member.
6. **If you are the only racer in your class you must complete half the laps of the overall leader.**

Pro Payout Schedule

1. If there are 1-5 entries in the pro class, 100% of the pot goes to the winner.
2. If there are 6-8 entries in the pro class, 60% of the pot goes to the winner and 40% goes to 2nd place.
3. If there are 9+ entries in the pro class, 50% of the pot goes to the winner, 30% goes to 2nd place, and 20% goes to 3rd or AZOP discretion.
4. Payback is based on \$100 per entry in your class

Points System

Ties for class champion will be broken by most amounts of first place finishes, then by most second place finishes and then by best finish in the final race of the series. **You must race 6 out of the 8 event locations to receive year end awards.**

UTV Roll Overs/Break Downs/Safety Zone/Recovery

1. During any process where AZOP staff are on the race course to recover or assist another race vehicle the 100 feet before and 50 feet after are considered a safe zone. The max speed in this area is 5mph. Racers cannot gain on or improve position on other racers in this same area. Any violation of this safety zone will mean automatic penalty and or disqualification of the racer. If racers do not slow down when there are AZOP official telling them by hand signals/flags or other ways you will be penalized.
2. If race vehicle needs to be towed, it's the racers responsibility to make sure tow hook is in place and in working condition. During a tow or assistance, AZOP is not responsible for any damage to vehicle. If you are towed off the track, your race is finished and you are unable to return to the race course.
3. Race may refuse AZOP assistance in towing or flipping vehicle if vehicle is located safely off the race course and is not in the way to affect current race. If racer refuses AZOP assistance race must exit the vehicle and track in a safe manner and leave vehicle until event is completed and course is cleared by AZOP. Once AZOP official oks it then the racer can recover their vehicle.

Radio Communications

1. We recommend every UTV Class from 1000cc to UTV 170cc have radios in their UTVs. Do NOT use Weatherman unless you have a problem then go to Weatherman to talk to AZOP Main. While racing choose another channel.
